ABOUT US:

RONAL MEZA

First, thank you for the opportunity to work with you. My name is Ronal Meza, and I am the owner of Bar Chefs Houston and Bar Chefs Austin. I've been in the customer service industry since I was 18 and have over 16 years of bartending experience, with the past 4 years focused on the wedding industry. I genuinely love what I do and will do everything in my power to ensure your event is a success.

We are a team of professionally trained and certified bartenders, each with a minimum of five years of experience in bars and clubs, ranging from high-end restaurants to fast-paced nightlife venues. We believe great bartending goes beyond mixing drinks—it's about creating fun, memorable experiences with professionalism and style. Our bartenders arrive in sleek, all-black uniforms and are courteous, reliable, and always ready to help. As team players, we prioritize exceptional customer service, ensuring our clients and their guests can relax and enjoy their event.
